

ELVAJET® OPAL SB CONSISTENT COLOR YOU CAN TRUST

Superior digital inkjet technology, delivering bold and precise color.

Achieve outstanding, consistent color with ElvaJet® Opal SB, a low-viscosity, water-based digital sublimation ink from Sun Chemical. Compatible with all Epson printheads, ElvaJet® Opal SB allows you to print uniform color across all paper types, while safe in the knowledge that brand protection is never a problem.

Delivering true ease of use with a simple, uncomplicated start-up process and low maintenance, while also reducing your ink consumption, ElvaJet® Opal SB has the potential to truly revolutionize your digital printing processes.

Key performance benefits:

- Simple installation and start-up
- Edge IQ technology removes bleeding to achieve sharp edges
- Excellent sharpness and vibrancy
- OEKO-TEX Eco Passport
- High-quality, environmentally responsible color
- Consistent stability over long production runs
- Less maintenance and increased open time
